The screenshot displays a web browser window titled "4thpass Mobile Application System - Microsoft Internet Explorer". The address bar shows "http://192.168.3.109:8080/admin/login.jsp". The browser's menu bar includes File, Edit, View, Favorites, Tools, and Help. The toolbar contains buttons for Back, Forward, Stop, Home, Search, Favorites, History, and a search icon. The address bar also shows "http://192.168.3.109:8080/admin/login.jsp".

The main content area is titled "4thpass" and contains a navigation menu on the left with the following items: Mobile Application System, Accounts, Administrators, Content Providers, Customer Care, Subscribers, Subscriber Groups, Service Plans, Messaging, Applications, Published Applications, Pending Applications, Categories, Application Filters, Billing Methods, Workflow Notifications, Devices, Server, and Reports.

The central part of the page is titled "Edit Pending Application" and contains a form for editing application details. The form includes a "Pending Application Information" section with the following fields:

- URL:
- Title:
- Version:
- Category:
- Content Provider:
- Publisher:
- Description:
- Date Modified:

Below the form is a "Save" button and a "Cancel" button. The bottom of the page shows a status bar with "Done", "Start", and "6:28 PM".
